Dear Vendor,

Thank you for your interest in vending at the 2017 Farm Funk Festival at Minder Farm (1000 NE Gluds Pond Rd, Bremerton). This event will take place on Saturday, August 12th 2017 from 1pm – 10pm.

About the Event

Farm Funk is a collaboration between long time food and agriculture supporters, Kitsap Community & Agricultural Alliance (KCAA), and Matt & Amy's Basement Band. We are celebrating local music, local food and community while shedding light on two important scholarship funds. One provided by KCAA to help support youth agriculture projects and another geared towards supporting local youth musicians.

The Festival includes live music, local prepared foods, a beer garden showcasing local brews, kids activities, local craft & artisan vendors, and much more!

Deadlines & Fees

The deadline for all vendor applications is **July 25th**. All payments must be sent in with your application or paid directly online. Sharing spaces is allowed, both vendors must complete a form and pay the vendor fee so that we can assure there is diversity in the vendors.

Vendors are accepted on a first come, first served basis. If you are serving food, please be sure to include your menu so that we do not have duplicate food vendors. We are only allowing three hot food vendors with only one vendor per type of food along with one two dessert/sweet food vendors (ie: ice cream, donuts, etc). All food vendors are responsible to adhere to Washington State Board of Health guidelines and Fire restrictions.

Please direct questions to the Farm Funk Vendor Coordinator at info@kitsapag.org
