## 2019 Central Kitsap Farmers Market

New Location - Maynard's Restaurant, 2251 Bucklin Hill Rd

### RULES & REGULATIONS

#### MARKET HOURS

The market will run every Tuesday from July 23<sup>rd</sup> to October 8th. Hours of operations will be 3pm to 7pm. All vendors must be ready for business by 3pm and cannot begin tear down until 7pm. Vendors will be given 1 hour for tear down, unless prior arrangements have been made with the Market Manager.

#### SELECTION OF VENDORS

All vendors to the Central Kitsap Farmers Market must grow, craft or process what they sell. The geographic boundaries of the market include all of Washington State and the surrounding waters. All items will be judged on quality and value and contribution to the market. No used or antique items will be allowed to be sold at the Market.

Central Kitsap Farmers Market is a member of the Washington State Farmers Market Association (WSFMA) and the national Farmers Market Coalition (FMC). We adhere to the WSFMA Roots Guidelines – including overall Vendor categories, definitions, and market exclusions as follows:

***No commercial, imported and/or second hand items shall be sold by any vendor. No franchises or any non-owner operated businesses are allowed at the Central Kitsap Farmers Market. Further, all products sold at the Central Kitsap Farmers Market must not contain any items or ingredients processed outside of Washington state.***

Vendors must be present each week they commit to. If a vendor notifies the Manager they will be in attendance and they no show or cancel after 8pm the evening before the market they will be charged a \$20 no show/cancellation fee.

All items offered for sale at the Central Kitsap Farmers Market shall be subject to inspection and approval by the Market Manager.

#### RESELLERS

**One who buys produce from farmers in Washington State, transports it to a WSFMA Member Market, and resells it to the consumer. Resellers are allowed to sell at WSFMA Member Markets, but do have strict criteria to follow:**

1. **Resellers** are expected to be the only stop between the grower and the consumer. The product they buy must not come from shippers, warehouses, jobbers or wholesale distributors.
2. They must not sell any produce not grown in Washington State (For example: oranges or bananas).
3. They may sell any produce they grow themselves on their own property.
4. **Resellers** are sellers of crops that cannot be grown reliably, or are not offered for sale in sufficient quantity, by **Farmers** selling at a given WSFMA Member Market, as determined by the individual WSFMA Member Market's governing body.
5. **Resellers** must have all crops pre-approved by the Member Market's governing body before delivering the crops to market for sale. Approved, resold crops must be specifically limited, so as not to compete with the crops of **Farmers** within the geographic vendor boundaries of the WSFMA Member Market, as defined by the Market's policies and by-laws.
6. All **Resellers**, or **Farmers**, must label their products as being resold if they are not selling products which they have grown, raised, or harvested themselves on property that they own, lease, or rent.
7. All information declaring which products are resold must be available and displayed for the consumer to easily read. Signage must clearly state which farm(s) produced the products; other terms synonymous with "resold" may be substituted.
8. **Resellers from Washington border counties are not allowed to sell at WSFMA Member Markets.**

**The CKFM Board of Directors has the discretion to limit the types and number of resellers and the products and amounts they offer for sale on each market day.**

### **STALL ASSIGNMENTS**

Stalls will be assigned to Vendors based on the following and will be determined by the Market Manager to ensure a well-rounded market:

Per WSFMA Roots Guidelines:

*“All vendors who wish to erect canopies (including umbrellas) on the Farmers Market site during a normal period of market operations, including the set up and break down period, are required to have their canopies sufficiently and safely anchored to the ground from the time their canopy is put up to the time it is taken down. Any vendor who fails to properly anchor his or her canopy will not be allowed to sell at the Farmers Market on that market day, unless that vendor chooses to take down and stow their canopy and sell without it. Each canopy leg must have no less than 24# (pounds) anchoring each leg, and market umbrellas, 50#.*
